SUMMARY

Data Science and Mathematics student with experience in data analysis, programming, and quantitative problem-solving. Interested in applying analytical and computational methods to real-world datasets through modeling, visualization, and collaborative work. Collegiate golfer with strong time-management and discipline.

EDUCATION

Bachelor of Science (B.S.) - Data Science *Expected:* May 2027

- Applied Concentration in Business AI Integration

Carthage College, Kenosha, WI
GPA: 3.917

Bachelor of Science (B.S.) - Mathematics *Expected:* May 2027

Carthage College, Kenosha, WI
GPA: 3.417

Minor - Computer Science
GPA: 3.25

SKILLS

- **Programming & Tools:** C++, Python, Excel, Microsoft Word, R, SQL, Power BI
- **Language:** Spanish (reading and writing proficiency)
- **Soft Skills:** Problem-solving, analytical thinking, time management, adaptability

---

ACTIVITIES AND ACHIEVEMENTS

- **Lincoln Scholar (Merit Scholarship):** Carthage College (August 2023-Present) Selected as one of three recipients from a pool of four hundred invited applicants for a full four-year scholarship, recognizing academic excellence and leadership.
- **Carthage Men's Golf:** *Collegiate Golf Athlete*. Competed in fall and spring tournaments as part of the college golf team, supported by a structured year-round training program.

WORK EXPERIENCE

AbbVie, Lake County, IL **Year:** May 2026 to current

Jr. Data Analyst - Intern

- Developed Python scripts to automate data processing workflows, improving efficiency and consistency in data collection and transformation.
- Built interactive Power BI dashboards using Excel and Python to visualize internship program performance, track student project outcomes, and communicate program success through data-driven insights.
